Old Business- Updates:

- Harbor restoration project. No report due to current litigation.
- ALHA Dock Permit- expires June 19, 2023. Maintenance dredging of the boat channel is also permitted through 2023.
- Roof replacement on Unit 22B and Garage 6 were completed. Roof repairs were completed on Units 6, 7, 8, 23 and 24.
- ALHA Handbook review is continuing with a completion date expected before January Meeting. We need your photos for the handbook. We all have so many pictures of our beautiful Lodges so please share them. Maybe even ones of the early days at the lodges!
Please submit your photos electronically to Jeanne Clement at clementjeanne@yahoo.com by Sunday, November 15, 2020.
- Dock Sub-Committee submitted some recommendation for Board review and inclusion in the Handbook.

New Business:

- Architectural approvals were authorized via email for the following:
 - Storm doors and A/C at Unit 2A
 - Replacement A/C at Unit 1B
 - Gutters at Unit 17B
 - French Door installation/replacement at Unit 15CApproved at meeting
 - Window installation at Unit 23B
- Trash removal contract approval was tabled pending contract language clarification.
- Discussion took place about the Town of Horicon's inquiry regarding ALHA PWC moorings. The Board will work with the Dock-Sub Committee to propose a solution to the Town.
- Nominations-Six self-nomination forms were received for three open positions. Bill Firth, Alice Lovely, Kent Molino, Mike Sposili, John Uggla and Donna Ware. Ballots will be mailed on 11/01/20 with a return date of 12/01/20
- A motion was Unanimously Approved to authorize spending up to \$48,000 pending final quotes from three John Deere vendors.
- Discussion took place regarding establishing a committee to coordinate on-campus and off-campus recreational activities. The Board noted we currently have a Social Committee and suggested combining or expanding the scope of the Social Committee to include recreational activities. If anyone is interested in helping out, please reach out to the Social Committee and Kathy Kavanaugh.

Privilege of the Floor:

- An update regarding re-implementation of Black Fly remediation program previously conducted by Warren County was given by Bill Wildermuth.
- Gil Frank spoke about a community fundraiser to install an emergency generator with associated electrical and propane upgrades to the Horicon Firehouse located in Adirondack. A request was made to the FD via Joe Koch to provide ALHA with some additional information regarding the project and donations. Additional information from FD attached.
- Brian Tario asked whether a gag order on the Harbor Project was in place due to the on-going litigation, and the response was "no". Separately he asked whether there was an update on the timing, and the Board commented we are currently waiting on the judge. John Zollo confirmed this as well.
